## Halal Certification Policy

GSC Pakistan is offering professional 3<sup>rd</sup> party halal certifications services to the different clients with full traceability, confidentiality & authentication of documentation. We maintain the credibility and regulations of applicable accreditation bodies.

We understand the importance of impartiality in carrying out our Halal Food management system certification activities, manage conflict of interest and ensure the objectivity of our halal management system certification activities.

We wish to achieve our aims as a major international accredited certification body and recognise that effective management of our customers, our staff, our certification process and our business results makes good business sense. We will achieve this by:-

- Offering professional, fair, impartial and objective services to all Clients as per Islamic shariah rules to add value to their business and satisfy their expectations,
- Practicing sound certification principles through competent staff. We train our staff to deliver Audits/ trainings that satisfy our customers, supervisory body and the standard we set,
- Developing an open exchange of information with organizations and the public on our all service that we offer, for Continuous improvement
- practicing sound business principles to manage our services and give a return on our shareholder's investment,
- Communicating this policy to our staff, customers and interested parties.
