

Policy for Impartiality

HP-02, Issue # 01, Rev # 00
18th Feb, 2019

GSC the resource of GSC Pakistan is fully aware of need of impartiality, & conflict of interest, to maintain impartiality and the perception of impartiality GSC Pakistan will base all certification decisions on objective evidence of conformity and nonconformity and not allow those decisions to be influenced by other parties. The top management commits to the principle of impartiality & conflict of interest and uses it as guidance for decision of certification activities and ensures that actions will be taken to identify, control, mitigate the activities that present threats to Impartiality.

For this purpose impartiality committee is formulated ensuring balance of interests from all stake holders. All process performed by GSC are independent of training & consultancy services.
